Dear Jonathon,

Re: Request for Extension – Cooper Basin Logistics Support Hub (September 2013) – Statement of Environmental Objectives (SEO) – 5 year review

On 5 October 2018, The Department for Energy and Mining – Energy Resources Division (DEM-ERD) granted FTI Consulting Pty Ltd, as Receivers for KJM Contractors Pty Ltd, an extension of time on the Cooper Basin Logistics Support Hub Statement of Environmental Objectives (SEO) (September 2013) five year review. This extension was provided to allow the potential purchaser of the facility the opportunity to review and make any necessary changes to the documents based on their proposed activities.

On 22 October 2019, J.P. Commodities Pty Ltd as new owner and operator of Cooper Basin Logistics Support Hub (Cooper Parks) within Special Facilities Licence 2 (SFL 2), requested a further extension of time to allow for the completion of the SEO 5 year review.

Pursuant to Section 134 of the *Petroleum and Geothermal Energy Act 2000*, DEM-ERD is prepared to grant an extension of time for the review and submission of the revised SEO to **30 November 2019**. No further extensions of time will be considered by DEM-ERD and failure to submit the revised documents prior to this date will result in further enforcement action pursuant to DEM-ERD's Compliance Policy¹.

Until such time, the ongoing operation and management of Cooper Parks and all associated activities within SFL 2, must comply with the requirements of the KJM Cooper Basin Logistics Support Hub SEO, gazetted in September 2013.

If you have any queries in relation to this matter please contact Scott Howell via email scott.howell@sa.gov.au or on (08) 8429 2541.

Yours sincerely,
