Dear John,

**PIPELINE LICENCE (PL) 6 - Extension of Time for Submission of Fitness for Purpose (FFP) Report**

I refer to your email sent 19 February 2008 requesting an extension of time to lodge the FFP Report for PL 6 (currently due 29 February 2008). It is understood that this extension is sought due to the increase in workload associated with the recent name and structural changes within your organisation, as well as the current focus on the compilation of annual reports for all pipelines operated by APT O&M Services Pty Ltd.

Pursuant to Section 134 of the *Petroleum Act 2000*, I hereby grant an extension of the date by which the above-mentioned FFP Report be lodged to 30 April 2008.

If you have any queries in relation to this matter please contact Michael Malavazos on (08) 8463 3245 or [malavazos.michael@saugov.sa.gov.au](mailto:malavazos.michael@saugov.sa.gov.au).

Yours sincerely
