We are Equinor

Turning natural resources into energy for people and progress for society
Delivering together

Our culture and values make Equinor stand out. We always put safety and security first.

Together we will use our engagement, competence and technology to create new and exciting opportunities.
Environmental plan process

1. Listen and learn
2. Commit to transparency
3. Develop the Environment Plan
4. Publish the draft EP for comments
5. Finalise the EP
6. NOPSEMA assessment

- We have met with more than 130 organisations representing community views
- Equinor is the first company to publish an exploration EP for public comment
- Everyone can submit comments directly to NOPSEMA
