Dear Mr Maher

APPLICATION UNDER THE FREEDOM OF INFORMATION ACT 1991

I refer to your application to the office of the Minister for Energy and Mining made under the Freedom of Information Act 1991 (FOI Act), received in this office on 3 December 2018. Your application sought access to:

Since 17 March 2018, copies of any and all documents (including but not limited to physical, electronic, or written briefs, minutes, emails, internal correspondence and any other correspondence) regarding the Aboriginal Affairs Action Plan.

A search was conducted for documents held by the office of the Minister for Energy and Mining and 5 documents were identified within the scope of your request. In respect of the documents, I have determined as follows:

Documents 1, 2, 3

I have considered the documents and determined to refuse access in accordance with Schedule 1, Part 1 clause 1 (1) (e) of the FOI Act.

Documents 4 and 5

I have considered the documents and determined to release them in part. With regard to these documents, the parts to which I have not granted you access are not relevant to your application, being names and email addresses of individuals in other departments, and contain mobile phone numbers of employees.

If you are not satisfied with this determination you have a legal right of review and appeal. Details on your review can be found by visiting www.archives.sa.gov.au/content/foi-forms.

Yours sincerely

Hon Dan van Holst Pellekaan MP
Minister for Energy and Mining

Thanks Sam, and also to Alex and her team.

Afternoon Minister

As per your email this morning I will make sure that we include an update tracking our progress on the Action Plan in our weekly meetings.

Also I thought you would be interested in the note below from Alex yesterday highlighting the work her team has had in the development of the Action Plan.

Have a good Christmas.

Regards
Sam
Dear All

FYI, although we do not appear to have been formally notified, great news that Stronger Partners Stronger Futures (refer p6 of the attached) was selected as a recognised project within the now released SA Govt Aboriginal Affairs Action Plan 2019-2020.

This is a great recognition for the team, from Resource Policy and Engagement, this important Aboriginal Industry Government collaboration.

Regards

Alex

For Official Use Only

Dear Reconciliation Network members

The Action Plan includes three priority areas divided into 32 specific activities, each with measurable outcomes that will be completed by agencies during 2019 and 2020. The three priority areas are:

1. Creating opportunities for Aboriginal jobs and businesses
2. Improving the quality and the delivery of services to Aboriginal South Australians
3. Building strong and capable Aboriginal communities

Of particular note to Reconciliation Network members, priority area #2, ‘Improving the quality and the delivery of services to Aboriginal South Australians’, commits all South Australian Government agencies to have a Reconciliation Action Plan by mid-2019 that is either endorsed or lodged with Reconciliation Australia for consideration. The commitment requires all agencies to aim, as a minimum, to have a Reconciliation Action Plan that is at an ‘Innovate’ level, and over time, to reach ‘Stretch’ level.

An overarching whole-of-government Reconciliation Action Plan will also be developed by mid-2019. Aboriginal Affairs and Reconciliation will lead this work.
