

Overseas Travel DEM (1 July 2024 – 31 December 2024)
Department for Energy and Mining - Public Sector Employees

No of Travelers	Destination	Reason for travel	Total cost of travel*
1	Indonesia	Invited to present and participate as a panel member at the International and Indonesian Carbon Capture and Storage (CCS) forum in Jakarta Indonesia. This gave the opportunity to promote South Australia's successful regulatory framework for facilitating the CCS project in Moomba, and also Australia's commitment to support CCS through its Net Zero Plan. Note: travel and accommodation expenses paid for by Indonesian CCS Centre.	\$112.01
1	South Korea/Japan	To attend the Australia minerals-Austrade investment and attraction roundtable and seminar in Tokyo and South Korea and the Spire Critical Minerals Conference in Tokyo, Japan. A presentation was made on behalf of the department that was well received and focused on the State's mineral prospectivity and investment opportunities including mining, exploration, mine waste, energy and other relevant infrastructure and strategic projects.	\$9,597.24
1	USA	To attend the Society of Petroleum Engineers (SPE) 2024 Annual Technical Conference and Exhibition (ATCE) in USA. The DEM attendee is the current chair of SPE ATCE and presents a speech at each meeting. The attendee also accepted a Presidential Award on behalf of the South Australia Section as Chair.	\$6284.88
1	Japan/South Korea	To attend the Carbon Capture, Utilization & Storage (CCUS) innovation Summit in Japan. The Japan CCUS Summit is considered Japan's leading event for CCUS, dedicated to advancing Japan's CCUS efforts with global partnerships. The DEM attendee represented the South Australian government and participated in roundtable discussions relating to the regulatory standards. DEM also delivered a keynote speech in the opening session regarding SA regulatory environment and opportunities. Secondly, to attend the Department of State Development (DSD) Korea Resources trade delegation in South Korea including CEO delegation and stakeholder meetings. DEM participated in numerous meetings relating to Energy and Mining Developments in SA. DEM also provided expert advice to the Minister for Trade and Investment and DSD staff relating to SA regulatory frameworks, specifically Mining and Hydrogen and Renewable Energy Acts.	\$12,530.84

OFFICIAL

1	China	To represent DEM and to support the delegation to promote Port Playford development and to also provide insights on the strategic comparative advantage of the state's mining and renewable energy resources. DEM participated in meetings with a number of strategic partners in China, which gave the opportunity to further develop strategic relationships and memorandum of understandings (MOU) with these Chinese entities.	\$10,807.01
