(hereinafter referred to as the Licensees) an Associated Activities Licence as an adjunct to Petroleum Retention Licence PRL 77 in respect of the area set out below, to have effect from 16 August 2025 and to expire on 10 November 2025 and carrying the right of renewal subject to the provisions of the *Energy Resources Act 2000*.

DESCRIPTION OF AREA

The land comprised in this licence is that part of the State of South Australia described in the Schedule hereto.

CONDITIONS

1. During the term of the licence, the Licensees may carry out or cause to be carried out the construction, use and maintenance of an access road, flowline and associated infrastructure within the area as defined in the Schedule hereto.
2. Pursuant to Section 74 of the Act, the regulated activities to be carried out pursuant to this Licence are classified as requiring low level official surveillance.
3. The Licensees must:
 - (a) upon commencement of regulated activities under this licence, maintain in force during the term of this licence public liability insurance to cover regulated activities under this licence (including sudden and accidental pollution) in the name of the Licensees for a sum not less than twenty million dollars (\$20,000,000.00) or such greater sum as specified by the Minister, and make such amendments to the terms and conditions of the insurance as the Minister may from time to time require;
 - (b) upon request by the Minister, provide the Minister with a cover note or certificate of currency of the insurance policy referred to in paragraph (a).

4. The Minister in specifying the levels of insurance accepts no liability for the completeness of their listing, the adequacy of the sum insured, the limit of liability, the scoped coverage, or the conditions or exclusions of these insurances in respect to how they may or may not respond to any loss, damage or liability.
