Dear Adriaan,

**Re: Request for Extension – Moomba 139 Serious Incident Report**

---

I refer to your letter to the Department for Energy and Mining – Energy Resources Division (DEM-ERD) dated 14 April 2020 requesting an extension of time for the submission of the Moomba 139 Serious Incident Report, originally due on 29 March 2020 pursuant to Regulation 32(2)(b) of the *Petroleum and Geothermal Energy Regulations 2013* (the Regulations).

The extension of time request has been made on the basis that resources and recent effort by Santos Limited (Santos) has been focussed on managing the impacts of the novel Coronavirus – COVID-19 – resulting in a delay to Santos' internal review processes.

Pursuant to delegated powers under Section 134 of the *Petroleum and Geothermal Act 2000*, I hereby grant Santos an extension of time for the review and submission of the Moomba 139 Serious Incident Report, in accordance with Regulation 32(4) of the Regulations, until COB Friday 17 April 2020.

If you have any queries in relation to this matter please contact Piotr Sapa via email [piotr.sapa@sa.gov.au](mailto:piotr.sapa@sa.gov.au) or on (08) 8429 2454.

Yours sincerely,
