2 February 2026

Ms Christine Long  
Director/Secretary  
Longs Sands and Metal Pty Ltd  
31 Rayson Street  
MURRAY BRIDGE SA 5253

Dear Ms Long

**Notification of Approved Program for Environment Protection and Rehabilitation (PEPR) Review**

In reference to your submission dated 7 September 2024, the PEPR Review has been approved pursuant to section 70C(5) of the [Mining Act 1971](#) (the Mining Act).

The approved PEPR will be made publicly available on the Mining Register and the Department for Energy and Mining (DEM) [website](#). Details of the approved PEPR are listed below.

<b>Tenement Holder</b>	<b>Longs Sands and Metal Pty. Ltd.</b>
<b>Tenement Type &amp; Number</b>	Extractive Mineral Lease (EML) 6140
<b>PEPR Number</b>	MPEPR2024/026
<b>MERS Number</b>	MPR-04664
<b>Name of Operation</b>	Salt Creek Sand Pit

You are reminded that you must always implement and comply with the approved PEPR.

This approval does not constitute endorsement of the systems that you have in place to manage the mining operations in compliance with the Mining Act. Whilst your capability to undertake this activity has been considered in this approval, the responsibility for compliance with the Mining Act always remains with the tenement holder.

The legislative requirements outlined below must be actioned as stated:

<b>1</b>	<b>Compliance Reporting</b> You are required to submit an annual compliance report as per existing reporting arrangements. Please refer to the DEM <a href="#">website</a> for more information on the reporting requirements.
----------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

**2 Work, Health and Safety Compliance**

In accordance with Chapter 10 of the *Work Health and Safety Regulations 2012* (SA), you must meet the requirements for mine operators in South Australia, which include a notification for mining operations, the establishment of a Safety Management System, the identification of Principal Mining Hazards and development of a Principal Mining Hazard Management Plan. Further information on your responsibilities, including a guide to Chapter 10, and the Mine Operator Notification Form, is available on the [SafeWork SA website](#).

In addition to the requirements under the Mining Act, you are reminded that your operation will have other legislative requirements that you will need to comply with.

If you have any further queries, please contact DEM staff as below:

Amie Amir  
Compliance Officer, **Compliance**
