Dear John

### **Low Level Official Supervision Status for Pipeline Operations**

I refer to the long-standing satisfactory record of regulatory compliance of Envestra (SA) Ltd (as Licensee) and Origin Energy Asset Management (as operator) in relation to the operation of transmission pipelines in South Australia.

In view of this record, pursuant to section 74 of the *Petroleum Act 2000*, I hereby classify all pipeline operations carried out by Origin Energy Asset Management for pipeline licenses held by Envestra (SA) Ltd as being low level official supervision activities.

Yours sincerely

**BARRY A. GOLDSTEIN**  
**Director Petroleum**  
**Minerals and Energy Division**  
**Primary Industries and Resources SA**  
**Delegate of the Minister for Mineral Resources Development**
