Energy Resources Act 2000

SPECIAL FACILITIES LICENCE

SFL 19

I, BENJAMIN ZAMMIT, Executive Director, Regulation and Compliance Division, Department for Energy and Mining, in the State of South Australia, pursuant to the provisions of the *Energy Resources Act 2000* and all other enabling powers, for and on behalf of the Minister for Energy and Mining (Minister), pursuant to delegated powers dated 19 August 2024, HEREBY GRANT to:

Australian Gas Networks (SA) Limited
ACN 008 139 204

(hereinafter referred to as the Licensee) a Special Facilities Licence to construct, operate and maintain a gas pressure regulating and metering station and associated infrastructure in respect of the area set out below, to have effect for a period of twenty years and to expire on 16 September 2044 and carrying the right of renewal subject to the provisions of the *Energy Resources Act 2000*.

DESCRIPTION OF AREA

The land comprised in this licence is that part of the State of South Australia described in the Schedule hereto.

CONDITIONS

1. The Licensee must construct, operate and maintain a gas pressure regulating and metering station in accordance with the Act, (including the mandatory conditions stipulated by the Act), the Regulations and Statement of Environmental Objectives.
2. Pursuant to Section 74 of the Act the regulated activities to be carried out pursuant to this Licence are classified as requiring low level official surveillance.
3. The Licensee must:
 - (a) on commencement of regulated activities under this Licence, maintain in force during the term of this Licence public and products liability insurance to cover regulated activities under this Licence (including sudden and accidental pollution) in the name of the Licensee for a sum not less than 20 million dollars (\$20,000,000.00), or such greater sum as specified by the Minister, and make such amendments to the terms and conditions of the insurance as the Minister may from time to time require; and
 - (b) upon request by the Minister, provide the Minister with a cover note or certificate of currency of each insurance policy referred to in paragraph (a).
4. The Minister in specifying the levels of insurance accepts no liability for the completeness of their listing, the adequacy of the sum insured, the limit of liability, the scoped coverage, or the conditions or exclusions of these insurances in respect to how they may or may not respond to any loss, damage or liability.

5. The Licensee shall during periods determined by the Minister, lodge and maintain with the Minister, in the form acceptable to the Minister, for the satisfaction of obligations arising under the Act or this licence, a security as specified by the Minister from time to time ("the Security").
- 5.1 The Security shall be lodged in the form of either;
- (a) cash; or
 - (b) an unconditional, irrevocable bank guarantee, insurance bond or letter of credit in a form, and from a financial institution, approved by the Minister.
- 5.2 Interest will not be payable by the Minister to the Licensee on any cash Security.
- 5.3 All charges incurred by the Licensee in obtaining and maintaining the Security shall be met by the Licensee.
- 5.3 If upon expiry, this Licence is not renewed and the Minister is satisfied that there are no further obligations under this Licence or the Act, the Minister will return the Security to the Licensee.
6. A contract or agreement entered into by the licensee to transfer or accept liability for any infrastructure constructed for the purpose of undertaking a regulated activity under the *Petroleum Act 1940* or the *Energy Resources Act 2000* cannot transfer, limit or exclude liability under the *Energy Resources Act 2000* unless written consent of the Minister is obtained.
