

## Overseas Travel DEM (1 January 2025 – 30 June 2025)

### Department for Energy and Mining - Public Sector Employees

No of Travelers	Destination	Reason for travel	Total cost of travel*
4	Canada	To attend PDAC (Prospectors & Developers Association of Canada) in Toronto, Canada 2025. The Department for Energy and Mining (DEM) represented South Australia and highlighted the mineral and resource potential across a range of commodities, leading policy and regulation standing and research capability in the resources sector. This enables DEM to gain in-depth insights on current trends in the world minerals industry and resource investor forums to ensure SA Government resources strategies are aligned and contemporary.	\$117,888.22
1	Vietnam	To visit the GE Exhaust Stack Fabrication Facility in Haiphong, Vietnam and review progress on the technical issues and actions identified from drawing reviews and ensure compliance with the technical specification and specific Australian Standard requirements.	\$2,451.83
1	South Korea	To accompany and support the Minister for Trade and Investment as a technical advisor for the transformation of the Whyalla Steelworks.	\$4,408.19
